MARITIME & SUBMARINE TECHNOLOGIES BLACK NIGHT VIPER MARITIME

CHARACTERISTICS & MORE INFORMATION

<http://technokontrol.com/en/products/submarine.php>

SAFE HAVEN MILITARY MOBILE OPERATIONAL PLATFORM

BLACK NIGHT VIPER MILITARY TECHNOLOGIES & TECHNOKONTROL have studied extremely carefully the new concepts of modern day ,naval, river, land, aerial warfare, law enforcement including logistics, exploration, supply, refueling, rescue-safety, medical, humanitarian, multi-use rolls, in which due to the continuous financial government “cut backs” every cent invested in any technology or future technology in these fields of operations are extremely important thus having to design, manufacture, install, maintain, financially amortize by means of longer operational life these military, law enforcement, logistical, multi-use technologies, products and services.
